

Helport AI Honoring the Life and Legacy of Kia Hong Lim: A Visionary Leader and Cherished Friend

Aug 12, 2024

New York, NY – August 12, 2024 – It is with deep sorrow that we announce the passing of Mr. Kia Hong Lim, a cherished member of our board at Helport AI, on August 12th, 2024. We are profoundly saddened by this loss and extend our heartfelt condolences to his family and loved ones during this tough time.

Mr. Lim was not only an exceptional business leader with over four decades of experience in the IT sector, but more importantly, he was a cherished friend to many of us at Helport AI. His kindness, wisdom, and warmth left a lasting impression on all who had the privilege of knowing him. In his honor, Helport AI colleagues will be holding memorial activities in the United States, Singapore, the Philippines, and China, wishing Mr. Lim a peaceful journey.

As the co-founder of SIS Technologies, Mr. Lim transformed a family-run business into a publicly traded group of companies across Asia. His leadership was pivotal in bringing global tech brands to Singapore and the region, significantly shaping the IT landscape. His contributions extended beyond business, inspiring countless professionals and leaving a lasting legacy.

Mr. Lim's pursuit of excellence was always balanced by his kindness and respect for others, making him not only a successful businessman but also a beloved figure in the industry. His legacy as a pioneer in IT distribution and his passion for innovation will continue to inspire us all.

Rest in peace, Mr. Lim. You will be deeply missed.
